

Part 107 Certification Procedure

Madison Harrington

April 25, 2018

For those interested in getting their Part 107 Certification go to <https://www.faa.gov> and click on **Part 107 small Unmanned Aircraft Systems (sUAS)** located in the top left box of the home page. Enroll in the course and continue to make an account to take the course. The online course takes approximately 1 hour to complete.

1 Pilots

For those who already have a pilot's certificate, you only need to finish this online course. After the exam you will receive the certificate.

2 Non-pilots

For those who do not have a pilot's certificate, you will need to complete this online course and exam. However, in order to receive the certificate you will also need to take a written exam in person at a FAA testing facility. Those locations and contact information can be found:
