

OpenUAS FAA Registration Information:

John Edgren

April 5, 2020

1 FAA Drone Zone Website

- <https://faadronezone.faa.gov/#/home>
 - Username/Email: kyrozier@iastate.edu
 - Password: OpenUAS1!

2 Registration Number - FA3WNPEATR

- This needs to be displayed on the outside of each UAS OR within an enclosed in a compartment only if you can access said compartment without tools.
- Must also be legible and durable:
 - Approved methods include engraving, permanent marker, or self-adhesive label

The screenshot shows the FAA DroneZone PART 107 DASHBOARD. The top navigation bar is blue with the Federal Aviation Administration logo and text. The main content area is white. The 'Your Shopping Cart' section shows an empty cart. The 'Your Registered Inventory' section shows a table with one registered drone.
